Our Packages

OneShot Campaign (TikTok, Instagram)

Ideal for restaurants wishing to test the impact of influencer marketing with a light investment.

Extended Promotional Campaign

Well-suited for restaurants aiming to assess the impact of influencer marketing with a moderate investment.

Influencer Generated Content (UGC)

Perfect for restaurants seeking to offload social media management while evaluating the impact of influencer marketing with a controlled investment.

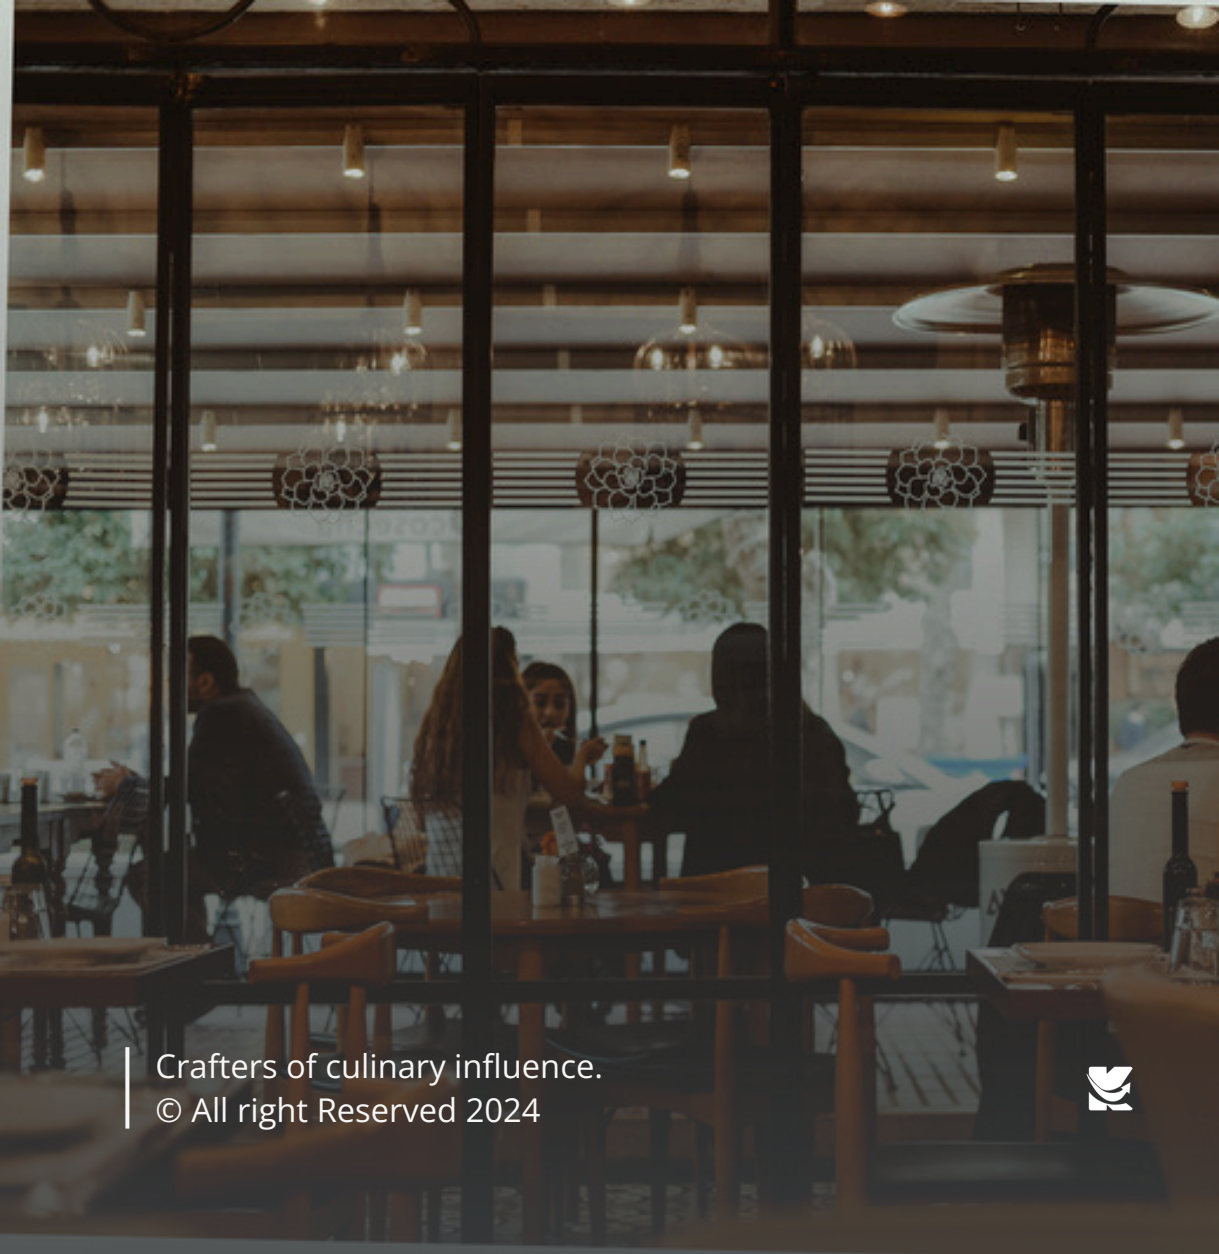

It's more than generating likes.

It's about finding the best fit for your business.
Book a consultation to see what we can do for you.
